

Technical data sheet - Venue S Midi

Description

Venue S Midi is a robust but compact chair designed to stack easily and safely. These chairs are ideal for stalls areas, or for adding occasional capacity in front of a retractable seating system. The range is designed to complement our fixed and retractable chairs to create a unified look throughout your venue.

Features

- Modern stacking chair with flat sided oval steel frame
- Robust, light construction
- Economic stacking
- Choice of upholstery fabrics
- Optional keyhole linking device

Simple keyhole linking device

Standards

Strength and stability

The Venue S Midi chair has been tested and certified to BS EN 12727:2000 level 4.

Flammability

Upholstery fabric and foam comply with the requirements of BS 7176 (1995), BS 5852 (1990) ignition source 5 DIN EN 1021.
