

## Technical data sheet - Venue 128

*Designed to complement the Espace 628 and Accolade ranges*

*Flexible occasional seating*

### Description

The Venue 128 is a durable, high quality stacking chair. This is a compact chair designed to stack easily and safely. It is ideal for seating flat floor areas or for adding occasional capacity in front of a retractable seating system. The range is designed to complement our fixed and retractable chairs to create a unified look throughout your venue.

### Features

- Modern stacking chair with flat sided oval steel frame
- High back provides an elegance and comfort
- Durable plastic outer protection panel (fully upholstered version also available)
- Choice of upholstery fabrics
- Optional integral linking device
- Economic stacking
- Easy to move for swift turn around times
- Designed to visually complement Audience Systems' renowned Espace 628 and Accolade tip-up auditorium chairs

*Fully upholstered version also available*

*Extremely durable wrap-around plastic outer back prolongs the life of the upholstery*
